LARAIB SIDDIQUI

|Pre-Final Year B.Tech Student |
siddiquilaraib527@gmail.com, +91 9336987037 · Lucknow, India

PROFESSIONAL SUMMARY

Passionate Computer Science student focused on Java and Data Structures & Algorithms, consistently improving problem-solving skills through daily practice and structured learning. Hands-on experience with machine learning, OOP, and full-stack Java development. Dedicated to building strong core fundamentals for software development.

EDUCATION

Bachelor of Technology (B.Tech) – Computer Sci & Engineering**Bachelor of Technology (B.Tech) – Electrical Engineering** *Expected: 2027*
Integral University, Lucknow *GPA: 6.40/ 10 (till 6th Sem)*

Intermediate (Class XII) – Science *up board | Lucknow*
Percentage: 65%

Matriculation (Class X) *Up board | Lucknow*
Percentage: 78%

PROFESSIONAL EXPERIENCE

AI & LLM Intern – Sipher Web Academy, Lucknow *Aug 2025*
- Implemented basic machine learning models using Python; improved practical knowledge of algorithms and data handling.
- Explored large language model concepts and applied them in practical AI use cases.

Machine Learning with Python – IBM (Certification Training) *2025*
- Gained hands-on experience building ML models in Python covering supervised and unsupervised techniques.

TECHNICAL SKILLS

Languages:	Java, Python	**Frameworks & Tools:**	Spring Boot, Swing, Streamlit
Core Concepts:	DSA, OOP	**Databases:**	MySQL
Libraries:	Pandas, NumPy	**Spoken Languages:**	English, Hindi, Urdu
